Letter of Reference

1) Goods/Services Provided

CORE is a pre-vetted, approved provider in ODE's Customized Coaching and Professional Learning program. As an approved vendor, CORE delivers coaching and professional learning in early literacy and leading for literacy, aligned with the Science of Reading and Oregon's Early Literacy Framework, for Oregon districts and schools.

2) Completion Status (if services completed)

Yes. When services have concluded, the CORE team has been responsive, operated within contract parameters, and successfully delivered the contracted coaching in Oregon.

3) Current Performance (if services ongoing)

Yes. CORE's ongoing services are provided on time, in alignment with contract terms, and within or below budget.

4) Satisfaction and Performance Against Expectations

I am fully confident that CORE's consultants align with Oregon's expectations for early literacy and the Science of Reading. CORE's proposal to our RFP was scored by multiple literacy-expert team members and accepted into our program. Based on our experience, CORE has consistently met performance expectations and contractual requirements.
