To Whom It May Concern:

I am writing this recommendation letter for the professional learning program from CORE Learning/UnboundEd Learning, Inc.: Online Language & Literacy Academy (OL&LA) .
In 2024, Winona Area Public Schools enrolled educators in the OL&LA program.

Our experience with OL&LA was exceptional. Their implementation/coordination team coordinated with our district to provide personalized and timely support with a philosophy of kindness. The program was a high-quality learning experience, and they provided excellent support. The feedback from our teachers was amongst the most highly rated professional learning I've seen over my past three years working for the school district.

If you have any additional questions or clarifications regarding my experience with OL&LA, Please feel free to contact me using the details below.

Sincerely,

Ms. Kristie O'Brien
